

Privacy Policy for HotShot Pro

Last updated: 10/16/2024

This privacy policy governs your use of the mobile application **HotShot Pro** ("App") created by **EngineeringPeople for Ballistech Sports (APQS)**. We are committed to protecting your privacy and ensuring that your personal data is handled securely and responsibly.

1. Entity Information

EngineeringPeople for Ballistech Sports (APQS) is responsible for the development and maintenance of the HotShot Pro app. The app is offered in connection with our company's services to enhance your user experience and provide advanced Bluetooth Low Energy (BLE) capabilities.

2. Types of Data Collected

- **Location Data:** The app utilizes location data, including background location data, for **Bluetooth Low Energy (BLE)** capabilities. This data allows us to scan for and connect with your target hardware, even when the app is closed or not in use, ensuring uninterrupted functionality if the device becomes disconnected from the hardware.
- **Account Data:** We collect and store account-related data such as your email address and preferences to manage your user profile and ensure a seamless user experience. This data is stored securely using **Google's Firebase**.

3. How We Use Your Data

- **Location Data:** We collect your location data to enable the BLE capabilities of the app. For example, if the device becomes disconnected from our target hardware, the app needs to perform background scans to re-establish the connection.
- **Account Data:** Your account data is used to personalize your experience in the app. This includes saving your preferences, managing access to app features, and ensuring the security of your account.

4. Data Sharing

We do not share any personal or sensitive user data with third parties. Your account data and location data are only used to provide the functionality described above.

5. Data Storage and Security

- All account data is stored securely using **Google's Firebase** cloud services. We rely on Firebase's robust security measures to ensure that your personal data is protected.
- For more information on Firebase's privacy practices, please visit [Firebase's Privacy Policy](#).

6. Data Retention and Deletion

We retain your data for as long as it is necessary to provide you with access to the app's features. You can request deletion of your account through the app settings.

7. User Consent

By using the HotShot Pro app, you consent to the collection and use of your data as outlined in this privacy policy. You will be prompted to grant access to your location and account data when the app is installed, and you may choose to decline these permissions at any time. However, certain features may not function properly without access to this data.

8. Contact Us
